

## Terminal de mano ecoLite

The EcoLite handheld terminal uses the Android 7.0 operating system and can work with version 5.1 as an option. It has been fitted with a 5.5 "high definition color display, industrial grade thermal printer and flexible configuration for various QR and barcode scanner scenarios. A wide range of advanced connectivity options are supported for the global 2G network / 3G / 4G, as well as built-in contactless NFC, BT4.0 and WIFI.

Powered by its quad-core CPU and large memory, the EcoLite terminal enables exceptionally fast processing of applications. It can optionally support other additional features such as a fingerprint reader, EMVco certification or tax number of some countries. It's your smart choice for one-stop-shop payment and service.

- Sale and validation of tickets on board.
- Ticket sales at the box office.
- POS for RdR (Recharge Network)
- Inspector terminal.
- Real-time bus location.
